## Chapter 2 by Wolf Girl

Every thing had changed.

It became another world

Another place where I can only guess that my parents had gone.

I seemed to glide around the strange jungle.

It seemed to be only made out of candy.

The trees are made of licorice for the trunk and then gumdrops for The leaves.

I begin to run but then something truly scary happend.

The door shut

It began to rotate with all of the other doors there.

They all looked the same

**I was trapped**
